RE: Exclusive Distribution in Brazil

To Whom It May Concern:

This letter is to give you formal notice that ChromaDex has appointed an exclusive distributor for Brazil of LAS DO BRASIL through JMC NC.

We take very seriously any violations by any other companies of this policy. As we are able to identify the persons and companies who are violating your exclusive distribution right, we will take action. As you know, from time to time we will see such companies try to circumvent our agreement and policies. This is to be expected. Please know that ChromaDex is committed to enforcing your exclusivity when such situations occur. ChromaDex will not provide technical support or warranties on any products purchased from any unauthorized distributors.

ChromaDex is commitment to support the Brazilian market and their use of our products through work with our exclusive distributor. Please contact our office directly with any questions on this matter.
